AIR SAW IN CASE
RRJ-8210

Features:
* This tool has reduced vibrationlevels and is lightweight.
* The tool is delivered with a swivel joint that allows the tool to move very flexible despite the air-hose.
* The sawing tool is delivered in a blow molded case, including an assortment of saw-blades.
* The RRJ-8210 has a full composite body, offering good thermal isolation.
* For thin (sheet-) material, the RRJ-8210 is the best choice of tool.
* Files in different shapes, sawblades and other accesories are available on request.
