

AIR SAW IN CASE RRJ-8210

Features:

- * This tool has reduced vibration levels and is lightweight.
- * The tool is delivered with a swivel joint that allows the tool to move very flexible despite the air-hose.
- * The sawing tool is delivered in a blow molded case, including an assortment of saw-blades.
- * The RRJ-8210 has a full composite body, offering good thermal isolation.
- * For thin (sheet-) material, the RRJ-8210 is the best choice of tool.
- * Files in different shapes, sawblades and other accessories are available on request.
