

# CHIPPING HAMMER H19X50 THA-4BRH19X50

Toku hammers have been used for many years in various industries, e.g Demolition, Foundries, Construction etc.

**Characteristics:**

- \* Toku only use the very best materials in the manufacture of their products giving the tools superior life.
- \* Due to popular demand we have included a version of this tool to our range with a solid retainer.
- \* The design of the solid retainer enables the use of pointed chisels as well as standard and wide.
