

ANGLE GRINDER M14/Ø180MM RRI-G70

This angled grinder by RED ROOSTER is used for grinding and cutting. Very high quality level. The grinder has an integrated speed-setting regulator for maximum safety and optimal speed for best material removal. The air motor has a very high power of 2 kW. The M14 spindle can be held by push button for easy exchange of accessories like grinding discs. The guard cover can be adjusted easily, without a need for tools. By means of the balancing spindle, this grinder has a very low vibration level, making it possible to work for long periods of time.

Characteristics:

- Ergonomic design, well balanced
- For cutting and grinding purposes
- The M14 spindle allows use of standardized wire brushes
- Exhaust silenced
- Vibrationreduced deadhandle
