IMPACT WRENCH 1/2 IN SET
RRI-2100M-SL

This composite impact wrench by RED ROOSTER has an excellent weight/power ratio. The RRI-2100M is developed for assembly- and disassembly applications. The revolutionary Mechoneer impact mechanism gives high energy levels per impact. The Mechoneer impact mechanism combines the hitting strength of a Twin Hammer with the durability advantage of the closed hammer mechanism. On top of that, it is greased fully, which results in low vibration levels and low sound pressure. The tool is suitable for industrial use.
Breakloose torque: 1.850 Nm.

Characteristics:
