

Instruction of assembling new Pin Retainer Set

1. Put the narrow side of the pin plug(3279-WRBA-02) inside the hole of the anvil.

2. After pushing the pin plug inside, turn the anvil to the other side, and push in the spring(I100-506), pin(33255-WRBA-01) and washer(33239-WRBA-08) one by one. The pin retainer set is now completed.
